**AND
MISSISSIPPI DEPARTMENT OF INFORMATION TECHNOLOGY SERVICES
AS CONTRACTING AGENT FOR THE
AGENCIES AND INSTITUTIONS OF THE STATE OF MISSISSIPPI**

This Express Products List Purchase Agreement (hereinafter referred to as "EPL Agreement") is entered into by and between _____ (company name) (hereinafter referred to as "Seller"), and Mississippi Department of Information Technology Services having its principal place of business at 3771 Eastwood Drive, Jackson, Mississippi 39211 (hereinafter referred to as "ITS"), as contracting agent for the agencies and institutions and other public entities of the State of Mississippi authorized to use the Express Products List (EPL) (hereinafter referred to as "Purchaser"). ITS and Purchaser are sometimes collectively referred to herein as "State".

WHEREAS, Seller is an authorized dealer of certain information technology equipment; and

WHEREAS, the State desires to acquire an EPL Agreement containing the terms and conditions which will govern any orders placed by the Purchaser during the term of this EPL Agreement for information technology equipment and software ("Products") and installation and services from Seller that was listed in the published EPL as a result of Request for Proposals ("RFP") Number 3658;

NOW THEREFORE, in consideration of the mutual understandings, promises, consideration and agreements set forth, the parties hereto agree as follows:

ARTICLE 1 TERM OF AGREEMENT

Unless terminated as prescribed elsewhere herein, this EPL Agreement will become effective on the date it is signed by all parties (the "Effective Date") and will continue in effect through the close of business on June 30, 2014, or until all warranties provided by Seller to Purchaser have expired, whichever occurs last. At the end of the initial term, the EPL Agreement may, upon the written agreement of ITS and Seller, be renewed for additional terms, the length of which will be agreed upon by the parties. Sixty (60) days prior to the expiration of the initial or any renewal term of this EPL Agreement, Seller shall notify ITS in writing of the impending expiration and thereafter ITS shall notify Seller of its intent to either renew or cancel the EPL Agreement.

ARTICLE 2 MODIFICATION OR RENEGOTIATION

This EPL Agreement may be modified only by written agreement signed by the parties hereto, and any attempt at oral modification shall be void and of no effect. The parties agree to renegotiate the EPL Agreement if federal and/or state revisions of any applicable laws or regulations make changes in this EPL Agreement necessary.

ARTICLE 3 INCLUDED PARTIES

Seller will accept orders from and furnish the Products and services under this EPL Agreement to any governmental agency or institution or other public entities within Mississippi authorized to use the published EPL, in line with ITS policies and procedures, at prices not to exceed those prices specified in the published EPL.

ARTICLE 4 ADDITIONAL TERMS AND CONDITIONS

All provisions in this EPL Agreement are in addition to the requirements of RFP No. 3658 and the published EPL, which are both incorporated into and made a part of this EPL Agreement.

ARTICLE 5 ORDERS

5.1 The State does not guarantee that it will purchase any certain amount under this EPL Agreement.

5.2 When a Purchaser decides to procure any Products and/or services from Seller, the Purchaser shall execute a supplement/purchase order to be signed by Seller and an authorized representative of the Purchaser. The supplement/purchase order shall set forth the Products/services to be procured; the prices for same; any warranty period, and any additional terms and conditions agreed to by the parties. All supplements/purchase orders shall be governed by, and incorporate by reference, the terms and conditions of this EPL Agreement. The terms and conditions of this EPL Agreement shall supersede any conflicting terms and conditions set forth in any supplement/purchase order provided by Seller.

5.3 Seller guarantees pricing for the term of this EPL. In the event there is a national price decrease of the Products proposed during that time, Seller agrees to extend the new, lower pricing to Purchaser.

ARTICLE 6 METHOD OF PAYMENT

6.1 Once the Products have been accepted by Purchaser as prescribed in Article 7 herein or there has been lack of notice to the contrary, Seller shall submit an invoice for the cost and shall certify that the billing is true and correct. Seller shall submit invoices and supporting documentation electronically to Purchaser during the term of this EPL Agreement using the processes and procedures identified by the State. Purchaser agrees to pay Seller in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies", Sections 31-7-301, et seq. of the 1972 Mississippi Code Annotated, as amended, which generally provides for payment of undisputed amounts by the Purchaser within forty-five (45) days of receipt of the invoice. All payments shall be made in United States currency. Payments by state agencies using the Statewide Automated Accounting System ("SAAS") shall be made and remittance information provided electronically as directed by the State. The payments by SAAS agencies shall be deposited into the bank account of the Seller's choice. Seller understands and agrees that Purchaser is exempt from the payment of taxes. No payment, including final payment, shall be construed as acceptance of defective Products or incomplete work, and the Seller shall remain responsible and liable for full performance in strict compliance with the contract documents specified in the article herein titled "Entire Agreement".

6.2 If payment of undisputed amounts is not made to Seller within forty-five (45) days of Purchaser's receipt of the invoice, Purchaser shall be liable to Seller for interest at a rate of one and one-half percent (1 1/2 %) per month (or such lesser rate as may be the maximum permissible rate under the law) on the unpaid balance from the expiration of such forty-five (45) day period until such time as payment is made. This provision for late payments shall apply only to undisputed amounts for which payment has been authorized.

6.3 Acceptance by the Seller of the last payment from the Purchaser shall operate as a release of all claims for payment against the State by the Seller and any subcontractors or other persons supplying labor or materials used in the performance of any work under a supplement/purchase order.

ARTICLE 7 DELIVERY; RISK OF LOSS; INSTALLATION, AND ACCEPTANCE

7.1 Seller shall deliver the Products to the location specified by Purchaser and pursuant to the delivery schedule set forth by Purchaser.

7.2 Seller shall assume and shall bear the entire risk of loss and damage to the Products from any cause whatsoever while in transit and at all times throughout its possession thereof.

7.3 If installation by Seller is required, Seller shall complete installation of the Products pursuant to the requirements of the Purchaser based on the guidelines specified in RFP No. 3658. Seller acknowledges that installation shall be accomplished with minimal interruption of Purchaser's normal day to day operations.

7.4 If installation by Seller is required, Seller shall be responsible for installing all Products and materials in accordance with all state, federal and industry standards for such items.

7.5 If installation by Seller is required, Seller shall provide Purchaser with an installation schedule identifying the date, time and location within the scheduling deadlines agreed to by the parties. Seller warrants that all Products shall be properly delivered, installed and integrated, if necessary, for acceptance testing within the scheduling deadlines set forth by Purchaser as the site is deemed ready for installation.

7.6 Seller shall be responsible for replacing, restoring or bringing to at least original condition any damage to floors, ceilings, walls, furniture, grounds, pavements, sidewalks, and the like caused by its personnel and operations during the installation, subject to final approval of Purchaser. The repairs will be done only by technicians skilled in the various trades involved, using materials and workmanship to match those of the original construction in type and quality.

7.7 Unless a different acceptance period is agreed upon by the Purchaser and Seller, Purchaser shall have a ten (10) working day testing period during which time Purchaser shall have the opportunity to evaluate and test the Products to confirm that it performs without any defects and performs pursuant to the specifications set forth in RFP No. 3658 and the published EPL. Purchaser may be deemed to have accepted the Product at the end of the ten (10) working day testing period, unless Purchaser notifies Seller that the product fails to perform as stated herein.

7.8 In the event the Product fails to perform as stated in Article 7.7 herein, Purchaser shall notify Seller. Unless a different period of time is agreed upon by the Seller and Purchaser, Seller shall, within four (4) working days, correct the defects identified by Purchaser or replace the defective Product. If Seller neither corrects the defect nor replaces the defective product, Purchaser reserves the right to return the Product to Seller at the Seller's expense; to cancel the purchase order, and to cancel this EPL Agreement as to itself only.

7.9 Upon receipt of a corrected or replaced Product, Purchaser shall have another acceptance period as set forth in Article 7.7 herein, in which to reevaluate/retest such Product.

7.10 If, after Seller has tendered to Purchaser Seller's attempt to correct the Product, Purchaser again determines the Product to have a defect, Purchaser may take such actions as it deems appropriate, including either (i) notifying Seller that it has elected to keep the Product despite such defects; (ii) returning the Product to Seller and providing Seller with an opportunity to deliver a substitute Product acceptable to Purchaser within the time period specified by Purchaser, or (iii) returning the Product to Seller at Seller's expense and canceling the purchase order. If the Purchaser returns the Product pursuant to clause (iii) herein, Purchaser may also pursue any remedy available to it in law or in equity.

ARTICLE 8 TITLE TO EQUIPMENT

Risk of loss to the Products will pass to Purchaser upon delivery, and title to the hardware Products provided under this EPL Agreement shall pass to Purchaser upon delivery of same to Purchaser's specified location.

ARTICLE 9 WARRANTIES

9.1 Seller represents and warrants that it has the right to sell the hardware and license the software Products provided under this EPL Agreement.

9.2 Seller represents and warrants that Purchaser shall acquire good and clear title to the hardware Products purchased hereunder, free and clear of all liens and encumbrances.

9.3 Seller represents and warrants that unless otherwise specified in RFP No. 3658 and/or the published EPL, each Product delivered shall be delivered new and not as a "used, substituted, rebuilt, refurbished or reinstalled" Product.

9.4 Seller represents and warrants that it has and will obtain and pass through to Purchaser any and all warranties obtained or available from the manufacturer/licensor of the Product.

9.5 Unless a longer warranty period is specified in the RFP, the purchase order or the published EPL, Seller represents and warrants that all hardware Products provided pursuant to this EPL Agreement shall be free from defects in material, manufacture, design and workmanship for a period of one (1) year after acceptance. Seller's obligation pursuant to this warranty shall include, but is not limited to, the repair or replacement of the hardware Product, or the redoing of the faulty installation, at no cost to Purchaser. In the event Seller can not repair or replace the hardware Product during the warranty period within ten (10) working days after receipt of notice of the defect, Seller shall refund the purchase price of the hardware Product and refund any fees paid for services that directly relate to the defective hardware Product, and Purchaser shall have the right to terminate the purchase order and this EPL Agreement in whole or in part, solely as between those two entities. Purchaser's rights hereunder are in addition to any other rights Purchaser may have.

9.6 Seller represents and warrants that all Products provided by Seller shall meet or exceed the minimum specifications set forth in RFP No. 3658 and the published EPL.

9.7 Unless a longer warranty period is specified in the purchase order, Seller represents and warrants that all software Products provided pursuant to this EPL Agreement shall be free from material defects and provide Purchaser complete functionality necessary for the operation of the system for a period of ninety (90) days after acceptance. Seller's obligations pursuant to this warranty shall include, but are not limited to, the repair of all defects or the replacement of the

software Product at the expense of Seller. In the event Seller is unable to repair or replace the software Product within ten (10) working days after receipt of notice of the defect, Purchaser shall be entitled to a full refund of the fees paid and shall have the right to cancel the purchase order and to terminate this EPL Agreement in whole or in part, solely as between those two entities. Purchaser's rights hereunder are in addition to any other rights Purchaser may have.

9.8 Unless a different warranty period is specified in the published EPL, Seller represents and warrants, for a period of ninety (90) days from performance of the service, that all work hereunder, including but not limited to, consulting, training and technical support, has been performed in a good and workmanlike manner and consistent with generally accepted industry standards. For any breach of this warranty, Seller shall perform the services again, at no cost to Purchaser, or if Seller is unable to perform the services as warranted, Seller shall reimburse Purchaser the fees paid to Seller for the unsatisfactory services.

9.9 Seller represents and warrants that there is no disabling code or lockup program or device embedded in the Products provided to Purchaser. Seller further agrees that it will not, under any circumstances, take any step which would in any manner interfere with Purchaser's use of the Products and/or which would restrict Purchaser from accessing its data files or in any way interfere with the transaction of Purchaser's business. For any breach of this warranty, Seller at its expense shall, within five (5) working days after receipt of notification of the breach, deliver Products to Purchaser that are free of such disabling code, lockup program or device.

9.10 Seller represents and warrants that there are no computer viruses contained in the Products delivered to Purchaser. For any breach of this warranty, Seller at its expense shall, within five (5) working days after receipt of notification of the breach, deliver Products to Purchaser that are free of any virus, and shall be responsible for repairing, at Seller's expense, any and all damage done by the virus to Purchaser's site.

9.11 Seller represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act, Section 71-11-1, et seq. of the Mississippi Code Annotated (Supp2008), and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Seller agrees to maintain records of such compliance and, upon request of the State, to provide a copy of each such verification to the State. Seller further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Seller understands and agrees that any breach of these warranties may subject Seller to the following: (a) termination of the supplement/purchase order and this EPL Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to Seller by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. In the event of such termination/cancellation, Seller would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit.

9.12 Seller represents and warrants that no official or employee of Purchaser or of ITS, and no other public official of the State of Mississippi who exercises any functions or responsibilities in the

review or approval of the undertaking or carrying out of the project shall, prior to the completion of said project, voluntarily acquire any personal interest, direct or indirect, in the purchase order.

9.13 The Seller represents and warrants that no elected or appointed officer or other employee of the State of Mississippi, nor any member of or delegate to Congress has or shall benefit financially or materially from this EPL Agreement. No individual employed by the State of Mississippi shall be admitted to any share or part of the EPL Agreement or to any benefit that may arise therefrom. The State of Mississippi may, by written notice to the Seller, terminate the right of the Seller to proceed under this EPL Agreement if it is found, after notice and hearing by the ITS Executive Director or his/her designee, that gratuities in the form of entertainment, gifts, jobs, or otherwise were offered or given by the Seller to any officer or employee of the State of Mississippi with a view toward securing this EPL Agreement or securing favorable treatment with respect to the award, or amending or making of any determinations with respect to the performing of such contract, provided that the existence of the facts upon which the ITS Executive Director makes such findings shall be in issue and may be reviewed in any competent court. In the event this EPL Agreement is terminated under this article, the State of Mississippi shall be entitled to pursue the same remedies against the Seller as it would pursue in the event of a breach of contract by the Seller, including punitive damages, in addition to any other damages to which it may be entitled at law or in equity.

9.14 Seller understands and agrees that some, all or none of the purchases made under this EPL Agreement may be funded by the American Recovery and Reinvestment Act of 2009 (hereinafter referred to as "ARRA") and, as such, represents and warrants that for any ARRA purchases, it will comply with the requirements of ARRA as set forth in Addendum 1, as said requirements are applicable, which is attached hereto and incorporated herein by reference and will maintain adequate records to verify its full compliance with those requirements.

ARTICLE 12 ASSIGNMENT AND SUBCONTRACTS

Neither party may assign, subcontract or otherwise transfer this EPL Agreement or its obligations hereunder.

ARTICLE 13 AVAILABILITY OF FUNDS

It is expressly understood and agreed that the obligation of Purchaser to proceed under this EPL Agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of federal and/or state funds for the performances required under this EPL Agreement. It is understood that Purchaser will not issue a purchase order unless the Purchaser has committed funding for such purchase order. If the funds anticipated for the fulfillment of this EPL Agreement are not forthcoming, or are insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds, or if there is a discontinuance or material alteration of the program under which funds were available to Purchaser for the payments or performance due under this EPL Agreement, Purchaser shall have the right to immediately terminate this EPL Agreement as to itself only, without damage, penalty, cost or expense to Purchaser of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination. The non-defaulting party may also pursue any remedy available to it in law or in equity.

Further, nothing in this EPL Agreement shall affect any statutory rights Seller and Purchaser may have that cannot be waived or limited by contract.

ARTICLE 16 WAIVER

Failure of the Purchaser or Seller to insist upon strict compliance with any of the terms, covenants and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any subsequent time or of any other provision hereof, nor shall it be construed to be a modification of the terms of this EPL Agreement. A waiver by the State, to be effective, must be in writing, must set out the specifics of what is being waived, and must be signed by an authorized representative of the State.

34.3 The intent of the above listed documents is to include all items necessary for the proper execution and completion of the services by the Seller. The documents are complementary, and what is required by one shall be binding as if required by all. A higher order document shall supersede a lower order document to the extent necessary to resolve any conflict or inconsistency arising under the various provisions thereof; provided, however, that in the event an issue is addressed in one of the above mentioned documents but is not addressed in another of such documents, no conflict or inconsistency shall be deemed to occur by reason thereof. Unless jointly agreed otherwise in writing, Seller's liability for a specific project shall not exceed twice the total amount paid by Purchaser to Seller under the applicable supplement/purchase order. In no event will Seller be liable to a Purchaser for special, indirect, consequential or incidental damages including lost profits, lost savings or lost revenues of any kind unless Seller was advised of the possibility of such loss or damage or unless such loss or damage could have been reasonably foreseen. Excluded from this or any liability limitation are claims related to fraud; bad faith; infringement issues; bodily injury; death; physical damage to tangible personal property and real property, and the intentional and willful misconduct or gross negligent acts of Seller. The language contained herein tending to limit the liability of the Seller will apply to a Purchaser to the extent it is permitted and not prohibited by the laws or constitution of Mississippi. Further, the parties understand and agree that the Seller is precluded from relying on any contractual damages limitation language within this article where the Seller acts fraudulently or in bad faith.

For the faithful performance of the terms of this EPL Agreement, the parties have caused this EPL Agreement to be executed by their undersigned representatives.

(a) *Definitions.* As used in this award term and condition—

(1) *Manufactured good* means a good brought to the construction site for incorporation into the building or work that has been—

- (i) Processed into a specific form and shape; or
- (ii) Combined with other raw material to create a material that has different properties than the properties of the individual raw materials.

(2) *Public building and public work* means a public building of, and a public work of, a governmental entity (the United States; the District of Columbia; commonwealths, territories, and minor outlying islands of the United States; State and local governments; and multiState, regional, or interstate entities which have governmental functions). These buildings and works may include, without limitation, bridges, dams, plants, highways, parkways, streets, subways, tunnels, sewers, mains, power lines, pumping stations, heavy generators, railways, airports, terminals, docks, piers, wharves, ways, lighthouses, buoys, jetties, breakwaters, levees, and canals, and the construction, alteration, maintenance, or repair of such buildings and works.

(b) *Domestic preference.*

(1) This award term and condition implements Section 1605 of the American Recovery and Reinvestment Act of 2009 (Recovery Act) (Pub. L. 111–5), by requiring that all iron, steel, and manufactured goods used in the project are produced in the United States except as provided in paragraph (b)(3) and (b)(4) of this section and condition.

(2) This requirement does not apply to the material listed by the Federal Government as follows:

[Award official to list applicable excepted materials or indicate “none”]

(3) The award official may add other iron, steel, and/or manufactured goods to the list in paragraph (b)(2) of this section and condition if the Federal Government determines that—

(i) The cost of the domestic iron, steel, and/or manufactured goods would be unreasonable. The cost of domestic iron, steel, or manufactured goods used in the project is unreasonable when the cumulative cost of such material will increase the cost of the overall project by more than 25 percent;

(ii) The iron, steel, and/or manufactured good is not produced, or manufactured in the United States in sufficient and reasonably available quantities and of a satisfactory quality; or

(iii) The application of the restriction of section 1605 of the Recovery Act would be inconsistent with the public interest.

(c) Request for determination of inapplicability of Section 1605 of the Recovery Act.

(1)(i) Any recipient request to use foreign iron, steel, and/or manufactured goods in accordance with paragraph (b)(3) of this section shall include adequate information for Federal Government evaluation of the request, including—

If the recipient does not submit a satisfactory

explanation, the award official need not make a determination.

(2) If the Federal Government determines after funds have been obligated for a project for construction, alteration, maintenance, or repair that an exception to section 1605 of the Recovery Act applies, the award official will amend the award to allow use of the foreign iron, steel, and/or relevant manufactured goods. When the basis for the exception is nonavailability or public interest, the amended award shall reflect adjustment of the award amount, redistribution of budgeted funds, and/or other actions taken to cover costs associated with acquiring or using the foreign iron, steel, and/or relevant manufactured goods. When the basis for the exception is the unreasonable cost of the domestic iron, steel, or manufactured goods, the award official shall adjust the award amount or redistribute budgeted funds by at least the differential established in 2 CFR 176.110(a).

(3) Unless the Federal Government determines that an exception to section 1605 of the Recovery Act applies, use of foreign iron, steel, and/or manufactured goods is noncompliant with section 1605 of the American Recovery and Reinvestment Act.

L. 111– 5) (Recovery Act) as required by Congress and in accordance with 2 CFR 215.21 “Uniform Administrative Requirements for Grants and Agreements” and OMB Circular A–102 Common Rules provisions, recipients agree to maintain records that identify adequately the source and application of Recovery Act funds. OMB Circular A–102 is available at <http://www.whitehouse.gov/omb/circulars/a102/a102.html>.

(b) For recipients covered by the Single Audit Act Amendments of 1996 and OMB Circular A– 133, “Audits of States, Local Governments, and NonProfit Organizations,” recipients agree to separately identify the expenditures for Federal awards under the Recovery Act on the Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF–SAC) required by OMB Circular A–133. OMB Circular A–133 is available at

<http://www.whitehouse.gov/omb/circulars/a133/a133.html>. This shall be accomplished by identifying expenditures for Federal awards made under the Recovery Act separately on the SEFA, and as separate rows under Item 9 of Part III on the SF-SAC by CFDA number, and inclusion of the prefix "ARRA" in identifying the name of the Federal program on the SEFA and as the first characters in Item 9d of Part III on the SF-SAC.

When a recipient awards Recovery Act funds for an existing program, the information furnished to subrecipients shall distinguish the subawards of incremental Recovery Act funds from regular subawards under the existing program.

(d) Recipients agree to require their subrecipients to include on their SEFA information to specifically identify Recovery Act funding similar to the requirements for the recipient SEFA described above. This information is needed to allow the recipient to properly monitor subrecipient expenditure of ARRA funds as well as oversight by the Federal awarding agencies, Offices of Inspector General and the Government Accountability Office.

Requirement to Comply with Provision of Section 902 of the American Recovery and Reinvestment Act of 2009

Accordingly, the Comptroller General and his representatives shall have the authority and rights prescribed under Section 902 of the ARRA with respect to contracts funded with recovery funds made available under the ARRA. Construction, Renovation, and Remodeling Projects Only

If the ARRA program from which funds are to be expended requires such language, then NEPA and NHPA requirements may need to be included in contracts or sub-grants. Such language would be dependent on federal oversight agency guidance as well as from the following: http://nepa.gov/nepa/regs/CEQ_1609_NEPA_Guidance_03-12.pdf (NEPA only)
